TO WHOM IT MAY CONCERN:

It gives me great pleasure to write this letter of recommendation on behalf the South African Mathematics Foundation (SAMF). As Liberty Group CSI, our relationship with SAMF started in 2014, when Group CSI took on the co-sponsorship of the South African Maths Olympiad (SAMO).

Through our collaboration the Maths Olympiad has reached a wider audience, with special attention being directed to quintile 1 and quintile 2 schools from previously disadvantaged communities across South Africa. To date more than 1 300 schools in all provinces participate in the Maths Olympiad - with over 100 000 learners partaking in the 2018 Olympiad.

As Liberty, we are proud to be associated with SAMF. They are a highly professional and efficient organization, with commitment towards the advancement of mathematics in SA.

It is therefore without any reservation that we would recommend SAMF to any organization seeking to partner with them.

Yours Sincerely,

Xolisa Vapi

Divisional Director - Corp Affairs, CSI and Sustainability
